

# MOTO GUZZI CALIFORNIA 1400 TOURING

The Touring is the California in its most classic expression, destined for great travellers, thanks to a level of comfort, aerodynamic protection and load capacity which only a Moto Guzzi can offer. Sumptuously equipped with "Patrol" windscreen, supplementary chrome-plated headlights, 35 litre panniers, engine and pannier guard kit, the Touring is a lavishly chromed and technological "tourer" which, powered by the largest V-twin ever seen before in Europe, is able to trot along all day with a thrilling sound and, if necessary, provide a taurine thrust able to leave behind any vehicle on two or four wheels

## Colors

## Technical details

Dimensions (length / wheelbase / height / width):	2445 / 1685 / 1460 / 1030
Seat height / Ground clearance:	740 / 155
Weight:	326
