MOTO GUZZI
V7 STONE 850

The V7 II Stone takes on new colours and finishes. Satin ‘70s style finish colours that enhance the contrast with the new, even brighter and deeper frame paint. Matt metal fuel tank, metropolitan personality, inimitable style.

Even more comfortable with the new engine position, the footpegs and the saddle lowered to 790 mm as opposed to the previous 805. The new riding position lets the rider enjoy the full benefits of all the changes that have been made to the chassis which have also made the front end more precise and efficient.
